## The Objects of the Association

- FIRST:** The improvement of directories by the interchange of ideas and the exchange of experienced employees.
- SECOND:** The protection of the public against fraudulent advertising schemes operating under the name of directories, and the maintenance of a high standard of excellence and accuracy of information in the publication of directories; thereby maintaining and promoting the confidence of the advertising public in reliable directories; also the securing of permanent employment for competent, industrious canvassers and honest compilers.
- THIRD:** The advancement of the interests of all who may become members hereof.
- FOURTH:** The promotion generally of social, as well as business intercourse among its members.
